Sir:

This is applicant's attorney Summary of the telephone call from Examiner Miller on 4/27/11.

Claims 21-42 and 44-51 were pending in this application.

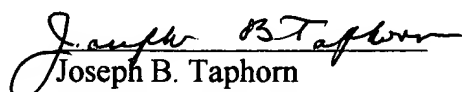

The Examiner proposed an Examiner's Amendment to put the case in condition for allowance.

The Examiner stated that a further search had been made.

The Examiner proposed to cancel claims 28-37 and 44-51, and per her Supervisor's suggestion, to allow the remaining claims if independent claims 21 and 38 were each amended in line 3 to add the phrase "along a common horizontal plane" after the word "separable". Applicant's attorney accepted the proposal.

The Examiner also noted that Fig. 5 was missing from the drawings. Applicant's attorney noted that he would correct the matter.
